Procedure

To obtain the team membership status and discount, interested parties must contact the ILA secretariat at info@theila.org. Names and e-mail addresses of all team members need to be provided when applying for the team membership and the same inclusion criteria as for individual membership are applied. Should a member of the team not be part of a medical profession, the person will not be allowed to join as a member of the ILA. The amount will be billed annually with the possibility to cancel at any moment, though with no refund for the already paid year. Team size can be changed at the beginning of every year/before the annual fee is charged. Team members can be changed throughout the year by writing to the ILA secretariat.
